"Your My Angel"

Looking into your eyes
I see all I want to be
And I don't want it to end
If I could only put to words the way
I see you
I only know I had an angel with me now

And when I fall asleep
You're all that I see
You're in my thoughts
And all of my prayers
I wish I could mean
All that you mean to me

My angel without wings
My angel

I wish you could see
All that you mean to me
But I can never find the words
To tell you

And when I fall asleep
You're all that I see
You're in my thoughts
And all of my prayers
I wish I could mean
All that you mean to me

And when I fall asleep
You're all that I see
You're in my thoughts
And all of my prayers
I wish I could mean
All that you mean to me
My angel without wings
