I'll trust you now
I'll trust your plan for my
Tomorrow
I'll take the vow
I'll take your hand and
I will follow
Chorus
You're the center of it all
And my life just revolves
You're the center of it all

I'll stay right beside your altar
And I'll leave to carry on with praise
I'll make this life
A never ending
Circle of worship to you

You healed my heart
Scattered apart in tiny pieces
So I'll do my part
A love that starts and never
Ceases
Chorus
You're the center of it all
And my life just revolves
Around you

I'll stay right beside your altar
I'll leave to carry on with praise
I'll make this life
A never ending
Circle of worship to you 1x
