Like a Kite
I'm coming back
I traveled far
And now that I lost my map
I'm searching for the start

[chorus]
I wanna feel you deeper
I sailed a lonely sea
Just like an aimless drifter
I sailed the lonely sea

I'm coming back
You arm my legs to race
And now that I'm on your side
There's nothing we can't face

[chorus]
I wanna feel you deeper
I sailed a lonely sea
Just like an aimless drifter
I sailed the lonely sea

I'm coming back
I'm coming back for good
And now that I've froze my eyes
I'll stay to the end of the world

Oh my heart, oh my soul
They are shifting towards you now
On my way I found gold
In a book, through a storm
And light is all I see
A blazing trinity

[chorus]
I wanna feel you deeper
I sailed a lonely sea
Just like an aimless drifter
I sailed the lonely sea

I made you cry
You were lonely just as I
But you held me like a kite
Right by your side [1x]
