Looking into your eyes
I see all I want to be
and I don't want it to end
If I could only put to words the way
I see you
I only know I had an angel with me now

And when I fall asleep
You're all that I see
You're in my thoughts
and all of my prayers
I wish I could mean
all that you mean to me

My angel without wings
My angel

I wish you could see
all that you mean to me
but I can never find the words
to tell you
And when I fall asleep
you're all that I see
you're in my thoughts
and all of my prayers
I wish I could mean
all that you mean to me

And when I fall asleep
you're all that I see
you're in my thoughts
and all of my prayers
I wish I could mean
all that you mean to me
MY ANGEL WITHOUT WINGS
