Please understand this isn't just goodbye, this is I can't  
stand you

This is where the road crashed into the ocean  
It rises all around me and now we're barely breathing  
A thousand faces we'll choose to ignore

Curse my enemies forever  
Let's slit our wrists and burn down something beautiful  
This desperation leaves me overjoyed  
With fading lights that leads us past the lives that we  
destroyed

I listen to you cry, a cry for less attention but both my  
hands are tied  
And I'm pushed into the deep end, I listen to you talk  
but talk is cheap  
And my mouth is filled with blood from trying not to  
speak  
So search for an excuse and someone to believe you  
In foreign dressing rooms I'm empty with the need to

Curse my enemies forever  
Let's slit our wrists and burn down something beautiful  
This desperation leaves me overjoyed  
With fading lights that leads us past the lives that we  
destroyed

Curse my enemies forever  
Let's slit our wrists and burn down something beautiful  
This desperation is leaving me overjoyed  
With fading lights that leads us past the lives that we  
destroyed

Please understand

Lay rotting where I fall, I'm dead from bad intentions  
Suffocated and embalmed and now all our dreams are  
cashed in  
You swore you wouldn't lose then lost your brain  
You make a sound that feels like pain

So please understand, this isn't just goodbye, this is I

can't stand you
