O holy night
The stars are brightly shining
It is the night
Of our dear Savior's birth
Long lay the world
In sin and error pining
Till He appeared and the
Soul felt it's worth
A thrill of hope
The weary world rejoices
For yonder breaks
A new and glorious morn

Fall on your knees
Oh hear the angel voices
O night divine
O night
When Christ was born
O night divine
O night
O night divine
O night
O holy night
O night divine

Truly He taught us
To love one another
His law is love
And His gospel is peace
Chains he shall break
For the slave is our brother
And in his name
All oppression shall cease
The King of Kings
Lay thus in lowly manger
In all our trials
Born to be our friend

Christ
Christ is the Lord
O praise His name forever

His power
And glory
Ever more proclaim
His power
And glory
Shall ever more proclaim

Fall on your knees
O hear the angel voices
O night divine
O night
When Christ was born
O night divine
O night
O night divine
