I just know that I've never felt like this  
And I know it's because  
You exist in my life  
Like hope shining bright  
Through the stormy skies

And that's why i could  
Never turn away from you  
I'd be some kind of fool  
To think I could lose your love  
You know that's  
Something I can't do

Chorus  
'Cause you're the answer  
To the questions  
The reason to the rhyme  
You're the rhythm to my heart  
When it beats out of time  
I'm so thankful, Lord  
That you are mind  
It's true that you  
Are my soul tattoo

Lord, you know  
All that I want to do  
Is to spend my life loving you  
It's your love time and again  
That pulls me through  
And I want to say thank you

Chorus

Etched on my soul  
Your love is so true  
In Your arms forever  
Stamped forever  
Here in my soul

Chorus
