We beg to borrow
We beg to steal
We beg forgiveness
We beg to feel
We beg for love
I guess we beg for hate
We beg for everything
And pray it's not too late

What everybody's tryna' feel
I guess we're tryna' heal
Everybody's got to kneel
No way to reinvent the wheel
Everybody's got to
Stand up on their feet
Everybody needs a dream
When the spirit gets too weak

Chorus
So when you're spirit gets too weak
When the water seems too deep
When you think there's just no way
I'll be there for you night and day
When the mountain
Seems too steep
When your spirit gets too weak
When you thinks there's just no way
I'll be there for you night and day

We beg for happiness
We beg for tears
We beg for courage
Just to overcome our fears
We beg to rise above
And hope we never fall
We beg for everything
And pray he hears our call

What everybody's tryna' feel
I guess we're tryna' heal
Everybody's got to kneel

No way to reinvent the wheel
Everybody's got to go
Stand up on their feet
Gotta be there for your brother
When the spirit gets too weak

Chorus

Although the road is rough
And sometimes you feel
Like it ain't enough
We'll be there for each other
We'll find the way

Chorus
