What if I could change the path of time  
What if I had the power to decide  
What if I could make us unify

If I  
If I

What if we would open up the doors  
What if we could help each other more  
What if i could make you all believe

If we  
If we

What if we all  
Opened our arms

What if we  
Came together as one  
What if we aimed  
To stop the alarms

What if we chose to  
Bury our guns

Why don't we always  
Reach out to those  
Who need us the most

Together we can change the path of time  
Together we have power to decide  
The answer lies within our hearts and minds

Together  
Together

Together we can make a better place  
On this little island out in space  
Together we can change the world forever

Let's unite and make a change  
Let's unite and write a new page  
Come on sinners come on saints

Have faith
