This morning got me down
The electric guy, he came to pound
Upon my door, three-fifty-four
Or we would be without light or sound

Air, air, air, air
All my friends are coming over
All my friends are coming over
Air, air, air, air
Ok, this is the life
Ok, this is the life

Walk around
Walk around
Walk around
All around the town
Walk around
Walk around
Walk around
All around the town

Air, air, air, air
All my friends are coming over
All my friends are coming over
Ok, this is the life
Ok, this is the life
Ok, this is the life
Ok, this is the life
Ok, this is the life
Ok, this is the life
Ok, this is the life
Ok, this is the life
Ok, this is the life
