Took a walk at midnight  
'Cause all day long I've had to lay low  
But the keys are on the table  
And if you want to leave, you just say so  
Got to keep the lights off  
Got to keep me in the dark with my eyes closed  
Maybe a dream can set me free  
Spotlight on the highway  
Bad news on the radio

I remember when I met you  
Angel eyes that cut me to the soul  
You knew me in an instant  
Saw my devil heart, but still you wouldn't let go  
You tried to make it heaven  
But you followed me to hell  
Listen close  
Hear the helicopter fly  
Spotlight on the sidewalk  
And bad news on the radio

I know you tried to warn me  
That we should take what we had left and hit the door  
But when homeboy tried to burn me  
I had to give him what he asked for  
Now I watch you sleeping  
Don't wake up and say goodbye  
There's no more  
As the sirens arrive  
Spotlight on the driveway  
Bad news on the radio
