Wise girl, blind man
See if you can walk the line
Hold tight to my hand
Straight ahead your doing fine
Old beat, new dance
Rhythm of another kind
It's alright to tremble
Everybody sways and heaven knows
It's hard to walk my way
Beat peculiar
It's strange
Strange and it's wonderful
To sway cause it's hard to walk my way
Now isn't that a wonderful groove

Vengeance, so wrong
Drop the gun, forgive the girl
My love, so strong
Mercy is a silver pearl
Old heart, new song
Virtues of another world
Just don't look down
Heaven knows your planet spins around
Beat peculiar
And it's strange
Strange and it's wonderful
Better not be looking down
When your planet spins around
Isn't that a strange tambourine?

Beat peculiar
It's strange
Strange and it's wonderful
Beat peculiar
Strange and it's wonderful
Isn't that a strange
Isn't that a strange tambourine?
Beat peculiar
