I had a big idea
I had a lazy eye
I broke the sacred seal
I told a crazy lie
I've had my conscience bent
I've had my patience tried
I've been down in the desert and
Up by the riverside

Will the eagle fly
If the sky's untrue?
Do the faithful sigh
Because there are so few?
Remember when I cried?
Remember when you knew?
Remember the look in your eyes?
I know I do

And count the stars to measure time
The earth is hard, the treasure fine
To the sea, I'll crawl on my knees

Feel it coming in
Feel it going out
Water covers sand
Blood covers doubt
So I begin again
Again, the healing bow
There was a time when I might have surrendered, but
not now

Consult the cards to measure mine
The earth is hard, but the treasure fine
To the sea, I'll crawl on my knees
At the sea, I'll wait on my knees
