Today if I called you  
Will you call me your own  
Well you may not recognize me  
The way that I've grown

Well, I've been through a maze of doubt  
A hundred miles of life without you  
Here's my shadow on your door  
I don't know what I'm waiting for  
I've got my eyes wide open  
I'm coming back  
I'm coming back with my eyes wide open

I didn't want to play  
But you had to keep score  
I've turned a big table  
And left the cards on the floor

Well, I've been through a maze of doubt  
A thousand miles of life without you  
Here's my shadow on your door  
I don't know what I'm waiting for  
I've got my eyes wide open  
I'm coming back  
I'm coming back to you with my eyes wide open

Today if I called you  
Would you tell me I'm wrong  
With the way I've come to believe  
Will I ever belong

Well I've been through a maze of doubt  
A million miles of life without you  
Here's my shadow on your door  
I don't know what I'm waiting for  
I've got my eyes wide open  
I'm coming back  
I'm coming back to you with my eyes wide open

Now I've seen  
I've realized  
That I've seen

I've realized
