See the black tile line up  
A thousand in a row  
And if the beginning one topples  
One by one they start to go  
Creeping demolition  
Gradual collapse  
The foundation we built on  
Becomes a twisted scene  
Of falling dominoes  
And my sorrow grows

A midnight knock on my door  
Wants to sleep in my living room  
He said, "Bec and me have gotten so bad  
I couldn't stay there anymore"  
I tossed him a blanket and remembered  
How they used to be  
How they loved each other  
One after another  
The bonds between them tumbled  
Just like dominoes  
And my sorrow grows

Mother and child  
Woman and husband  
I've seen the reaction  
(Life chain)  
Looks like a mild breakdown in communication  
I've seen dominoes  
Oh, I know how they fall  
I know how they fall

See the neighborhood lineup  
A hundred houses in a row  
So many wounded families  
Feel the anguish overflow  
I met a boy this afternoon  
Kicked out, someone said for his own good  
I don't know who was right  
I don't care much who was wrong  
This boy don't belong on the street  
And my sorrow grows

Mother and child  
Woman and husband  
I've seen the reaction  
(Life chain)  
Looks like a mild breakdown in communication  
I've seen dominoes  
Oh, I know how they fall  
I know how they fall I know how they fall

And my sorrow grows  
Children, can't we stay together?  
God in heaven, give us love forever  
Can I get a witness?  
Can I get a witness?  
Can I get a witness, people?  
Can I get a witness?
