What if I had to live here without you?
Oh, I never want to know

Hey, where you going?
Where you going?
Where are you going, Lenny Cohen?

Tell me your secret
Lie if you want to keep it
Oh, I don't really want to know

Hey, where you going?
Where you going?
Where are you going, Lenny Cohen?
I don't really want to know
Where you going?
Where you going?
Lenny Cohen, don't leave us now
You gotta write one more
It's closing time for the tower door
Your lover's sleeping, can you hear the snore?
Can you tell me now just what you said before?
I need a lover, baby
I need a broken heart
Need to be bothered, maybe
Dumb the end and deaf the start

I need a lover, baby
I need a broken heart
I need a lover, baby
I need a broken heart

I'm being selfish
I feel so helpless
Oh, do you really have to go?
I don't really want to know
Where you going?
Where you going?
Lenny Cohen, don't leave us now
You gotta write one more
It's closing time for the tower door
Your lover's sleeping, can you hear the snore?

I want you to tell me what you said before
I need to capture beauty
I need another age
I need a tragic movie
A taste of tears and rage

I need a lover, baby
I need a broken heart
I need a lover, baby
I need a broken heart
I need a lover, baby
I need a broken heart
I need a lover, baby
I need a broken heart
I need a lover, baby
I need a broken heart
I need a lover, baby
I need a broken heart
I need a lover, baby
I need a broken heart
I need a lover, baby
I need a broken heart
I need a lover, baby
I need a broken heart
I need a lover, baby
I need a broken heart
I need a lover, baby
I need a broken heart
I need a lover, baby
I need a broken heart
