

Adam Again "Morning Song"

Day

The day begins, I'm only half awake

Grey

The color of the fading darkness

The risen Son I call his name

And when I look up I expect to see

The morning star above me

I try to find the words

I can't even speak except to say

Hallelujah

Sometimes I sing by myself

Sometime we sing together

I want to make some noise

I want to stir it up

Pray

I thank the Lord for another chance to wake

Try

To say I want to be a servant

But I cannot even speak

Hallelujah
