"Reason with Me"

You say that God means nothing to your life
But that's in the daytime
But what about the tears that fill your eyes
In the middle of the night
When you're awakened by the voice of God
Demanding a decision

"If you reason with me,
You'll see my love is for real"

You say that you're the only one you need
You say you're an island
But then I watch you staring at the walls
And I know your heart is breaking
Won't you listen to the Voice of God
As it whispers your forgiveness

"If you reason with me,
You'll see my love is for real"
