There's a lot for me to say
About a hundred ways
For me to wrap my words around your face
But it won't do any good
I never really could convince you
That when I said to leave I meant, "Please stay"
There, I've said it now
Too late
It's late, I've got to get up early, hey
I'm dying to get some sleep, baby
It seems crazy to me, maybe
I'd like to turn to stone tonight
And try to forget that day that I
Chased you away, baby
Will you be coming home tonight?

If I'm sitting in some bar
Or driving in my car
I don't really think of you at all
But back here in my room
With the morning coming soon
I roll around and wonder where you are
Where you'd rather be
This late
It's late, I've got to get up early, hey
I'm dying to get some sleep, baby
It seems crazy to me, maybe
I'd love to turn to stone tonight
And try to forget that day that I lost you
Now I know what it's like to be alone
Will you be coming home?

Well it's not my history
This song's not about me at all
Just trying to conjure up some fantasy
Do you believe me now
This late?
Too late, I've got to get up early, hey
I'm dying to get some sleep, baby
It seems crazy to me, maybe
I'd love to turn to stone tonight
And try to forget that day that I lost you

Now I know what it's like to be alone
Will you be coming home?
I'm trying to get some sleep
It's me
It's me
It's me, are you coming home, home tonight?
