Two! (Hold on!)  
Hey

I heard you crawling up my front lawn  
I flipped the switch and you were gone  
I feel better when I turn it on  
Get real simple and I make a song

Strobe (I want to tell you)  
Strobe (I want to tell you)  
Strobe (I want to tell you)  
Strobe (I want to tell you)

There go the pitcher on the pitching mound  
I can't go up if you go down (ooh-ooh-ooh)  
Give me a smile, I'll give you a frown  
You're the verb and I'm the noun

Strobe (I want to tell you)  
Strobe (I want to tell you)  
Strobe (I want to tell you)  
Strobe (I want to tell you)

Remember when you laughed in my ear three times?  
I was waiting for four, you said, "Who am I?"  
Now you're yelling in the shopping line  
Say, "Here's two nickels, will you give me a quarter?"

(I want to tell you)  
Strobe (I want to tell you)  
Strobe (I want to tell you)  
Strobe (I want to tell you)  
Strobe

Strobe (I want to tell you)  
Strobe (I want to tell you)
