

Adam Again "The Fine Line"

Visit "[The Fine Line](#)" on [MotoLyrics.com](https://www.motolyrics.com)

Everybody get in line-it's blind-leads-blind
Everybody drop a dime to ease your mind
The weathermen say it's gonna be warm today
What I'd give for a little rain
Here I sit
Torch in hand
I'm living in the devil's land

Devil in black
Break your momma's back
Feel like a maniac

Sitting in a parking lot, my window open
It's always been my lucky spot, tonight I'm hoping
The weathermen say it's gonna be the same today
What I need is a little change
Can I stop?
Will I try?
Or burn on the rock until I die

Devil in black
Break your momma's back
Feel like a maniac
Cross the fine line
Break your momma's spine
What's controlling your mind?

Here we go again
One time
Two times
Chaos
