Listen

I think I could be dreaming
The line-crossers cross
The schemers' scheming
I should forget about it
There's a monkey on my back rack
The humble and poor keep breathing

Walk between the raindrops if you can
Lord, tell me what kind of man
Makes this plan
I don't understand such a grand scam
Walk between the raindrops if you can
Lord, tell me what kind of man
Makes this plan
I don't understand such a grand scam

Science

I think I should be leaving
Shine, baby, shine, free that free thing
And keep your holy hair in place
The wind is going to roll
The hungry and brave keep breathing

Walk between the raindrops if you can
Lord, tell me what kind of man
Makes this plan
I don't understand such a grand scam
Walk between the raindrops if you can
Lord, tell me what kind of man
Makes this plan
I don't understand such a grand scam

I should forget about it
There's a monkey on my back rack
The humble and the poor keep breathing

Walk between the raindrops if you can
Lord, tell me what kind of man
Makes this plan
I don't understand such a grand scam
Walk between the raindrops if you can

Lord, tell me what kind of man
Makes this plan
I don't understand such a grand scam
Walk between the raindrops if you can
Lord, tell me what kind of man
Makes this plan
I don't understand such a grand scam
Walk between the raindrops if you can
Lord, tell me what kind of man
Makes this plan
I don't understand such a grand scam
