Hey, hey, what's your name?
Hey, hey, what's your name?
Well I think that I followed you
Home from sunday school
We learned the golden rule

Hey, hey, what's your name?
Was it you who I thought about
Almost all the time
And never could be mine

Hey, hey, what's your name?
Could it be
I touched your hand
It lasted years, a single touch
It lasted years
Now you're here
Hey, hey, what's your name?

Didn't I see your sorrow?
Didn't I see you grieve?
Didn't I want to hold you?
Didn't I wish you'd never, ever, ever, ever leave?

Hey, hey, hey, what's your name?
Now, you show up here
You just appear
You touched my hand
It's lasted years
Hey, hey, hey, hey
Hey, hey, hey, hey
Hey, hey, hey, hey
