There is a reason
And I don't know what it is
A bloody season
Well, I've heard that these things happen
Worldwide
Worldwide

Don't think I'll ever understand it
Don't think it matters if I do
Three billion people in the world
And I only know a few
Worldwide
Worldwide

It's worldwide
Worldwide

Tears on the driver's side
His head is in his hands
Voice of an angel silenced
By the whim of another man
It's worldwide
Worldwide

But we all love that desert thunder
We put some sticker on our bumper
Three billion nothings in the world
Why should anybody bother?
Worldwide
Worldwide

What about Headman Shabalala?
Does anybody care about justice?
Three billion people in the world
And his spirit weeps for all of us
Worldwide
Worldwide
Worldwide
