

Adam Again "You Can Fall in Love"

Visit "[You Can Fall in Love](#)" on MotoLyrics.com

All your life, you've waited to know
Something real, or someone who would show you
Something your heart could feel
People let you down, love never true

They tried a tomb-it wouldn't hold Him
They tried a stone-it rolled away
They tried a rumor-we wouldn't believe it
They tried a lie-we knew the truth
That He was God, and nothing less
He came to fill your emptiness
His Love has stood the test of time
Now it can stand the test of your mind
Tears can be washed away
Believe-you can fall in love
Like you've always dreamed
You can fall in love-if you just believe

On the cross the man of your dreams
Dies in shame, in love with us all
Willing to take the blame
Dying to give
Love ever true
