How did your soul become so comfortable  
With this betrayal with his betrayal  
This certain feel for opportunity  
The killer instinct the killer instinct

I can't stop hurting you  
Until your ideology is crushed and broken crushed and  
Broken  
I can't stop hurting you  
Until the hurt pours out of me  
Can't stop till you're crushed and broken

Big talkers networks deals priorities  
The blood on your hands the blood on your hands  
Enough to ruin what seemed inviolable  
Almost scared almost scared

I can't stop hurting you  
Until your ideology is crushed and broken crushed and  
Broken  
I can't stop hurting you  
Until the hurt pours out of me  
Can't stop till you're crushed and broken

The right time the right location  
The right plan to sell yourself  
All these broken human beings  
All in wait to be impressed

The right time the right location  
The right plan to sell yourself  
All these broken human beings  
All in wait to be impressed

I cannot stop hurting you

I can't stop hurting you  
Until your ideology is crushed and broken crushed and  
Broken  
I can't stop hurting you  
Until the hurt pours out of me  
Can't stop till you're crushed and broken
