"Leaving Hollywood"

Emptiness dead-smooth and choking the air
Iâ€™m, leaving Hollywood if you donâ€™t care
Lost in the twilight of self-consciousness
Trying to picture the smile you might wear

Where are the plastic doves ready to kill
The inspiration I try to fulfill
Cry for me sister on Valentineâ€™s day
Youâ€™ll find me lying on Hollywood Hills

Spoke to an acolyte coming my way
The weather is fine what a wonderful day
His bloody robe suits him tolerably well
But he can never induce me to stay

Your double-dealing voice hits me so low
But Iâ€™m your henchman so I have to go

Nobody sees that Iâ€™m only your frame
When I left Hollywood they all will know

Someday you gonna crucify me in a black-painted
room
You gonna call all your opponents who gonna spit me in
The face hit me in the face
And I will laugh about everyone
Iâ€™d cover my mug if I could

Emptiness dead-smooth and choking the air
Iâ€™m leaving Hollywood if you donâ€™t care
Lost in the twilight of self-consciousness
Trying to picture the smile you might wear
Trying to picture the smile you might wear
Trying to picture the smile you might wear
