You say you want me to feel\*  
You feel how much I hurt  
It cuts me open every single day, day  
How hard a heart can become  
How does it ever mend  
My friend these days they never end, end

My shell  
My hell  
My prison  
My sentence years  
And even for me I'm not well  
My shell  
My hell  
My prison  
My sentence years  
And even for me I'm not well

You say you want me to feel  
You feel how much I hurt  
It cuts me open every single day, day  
How dark the mark of the devil  
How deep his cut right into me  
It seem beneath of hell of what to say, say

My shell  
My hell  
My prison  
My sentence years  
And even for me I'm not well  
My shell  
My hell  
My prison  
My sentence years  
And even for me I'm not well

You say you want me to feel  
You feel how much I hurt  
It cuts me open every single day, day  
I nailed the nails in the coffin  
I nailed my self to a cross  
I'm lost afraid that you'll leave me forever, forever

My shell  
My hell  
My prison  
My sentence years  
And even for me I'm not well  
My shell  
My hell  
My prison  
My sentence years  
And even for me I'm not well

My shell  
My hell  
My prison  
My sentence years  
And he said  
My shell  
My hell  
My prison  
My sentence years  
And even for me I'm not well  
I'm not well  
I'm not well

You say you want me to feel\*  
You feel how much I hurt  
It cuts me open every single day, day
