Through these eyes I see
There's a place for me
That keep me alive
And life is full of questions

A certain kind of thrill
Through these veins I feel
And that keeps me alive
And I'm flying in all directions

That surrounds you
Would you sell the story
Drown in all the glory
Surrounds you!

Keep me company
To keep me alive
Won't you shelter me

As I'm searching for protection
A certain kind of thrill
What keeps me alive
And I have in my possession
Secrets I have found
With these hands I feel

And that keeps me alive
It turns my head around

It's what keeps me alive
And I'm flying in all directions
It's what keeps me alive
It's what keeps me alive
