You're going down
And it feels good
But you ain't wearing
All the people that you've had?
What you should
The Time is over

Count the times
You forgot their names
Count your blessings
Committed the crimes

The time over
Cos' you've been
Burning the candle at both ends
All the people that you've had?
Oh ! it's time to make amend's

Burning the candle at both ends Cos' you've been
Oh! it 's time to make amends
