I lost you in the darkness when I fell from the light
I held onto the world too tight
I thought I'd never find you, I thought I'd be alone
But you took my hand and led me home

Now I know, now I know
That you'll always be where I go

Forever is a long time
To be without you in my life
I wanna keep you by my side
'Cause forever is a long time
Ooh, yeah, oh, yeah

You had faith when I was faithless
Strength when I don't
You believe in me even when I won't
You are patient, you are true
You love is what gets me through

Now I know, ooh, I know, yeah, yeah
That you'll always be where I go

Forever is a long time
To be without you in my life
I wanna keep you by my side
'Cause forever is a long time

Even when I'm pulled apart at the seams
And it's hard to believe
Even in my darkest hour, my darkest day
You shine on me

Forever is a long time
To be without you in my life
I wanna keep you by my side
'Cause forever is a long time

Forever is a long time
To be without you in my life
I wanna keep you by my side
'Cause forever is a long time

Oh, yeah, how I need you
Forever
