I gave my life away, now it's time to play
Gotta live by the choice I've made
This is what I choose if I don't want to lose
And I need to let You make my move

'Cause You know better than I
Than I could ever and I don't want to try to
Ever do without You, You know more than I could
Than I could ever and if You weren't there for me
I'd go crazy

I can't pretend that I don't need You
With all the stuff in my life
I just don't know what to do
Every time I'm afraid of what's in front of me

You keep me from goin' crazy
Show is done but the tape keeps rollin'
Can't push stop 'cause my life is recording
All this pressure keeps on pressing
You keep me from goin' crazy

Every face I see takes a hold of me
And keeps me where I need to be
With a lot on my mind
Sometimes it makes me blind
And the vision gets hard to find

But You know better than I than I could ever
And I don't want to try to ever do without you
You know more than I could, than I could ever
And if You weren't there for me I'd go crazy

I can't pretend that I don't need You
With all the stuff in my life
I just don't know what to do
Every time I'm afraid of what's in front of me

You keep me from goin' crazy
Show is done but the tape keeps rollin'
Can't push stop 'cause my life is recording
All this pressure keeps on pressing

You keep me from goin' crazy

I thank You for the life I lead
I wouldn't trade it, not for a minute
(No)
I don't want to think that I don't need

You with me, You are my security
Now that I got it
Can't go without it 'cause I need You
Need You to keep me from goin' crazy

I can't pretend that I don't need You
With all the stuff in my life
I just don't know what to do
Every time I'm afraid of what's in front of me

You keep me from goin' crazy
Show is done but the tape keeps rollin'
Can't push stop 'cause my life is recording
All this pressure keeps on pressing
You keep me from goin' crazy

Crazy
(Crazy)
Crazy
(Crazy)
Crazy
(Crazy)
You keep me from goin' crazy

Crazy
(Crazy)
Crazy
(Crazy)

Crazy
(Crazy)
Crazy
(Crazy)
You keep me from goin' crazy

Tape keeps rolling, long time rolling
Tape keeps rolling, long time
Tape keeps rolling, long time rolling
Tape keeps rollin', rollin', oh Lord, I need
Tape keeps rolling, long time rolling
