Wherever you are tonight girl
I'll see you in my dreams
Wherever I go tomorrow
You'll be here next to me

And though we are a world apart
I know you'll never be that far

'Cause here in my heart
There's a picture of us
(Of us)
Together forever
Unfaded and unbroken

Wherever you are
Your love covers me
Forever more
(Forever more)
You'll be here in my heart

Whenever I miss
(I miss)
Miss you so much
It's more than I can bear

Now I won't cry
(I won't cry)
I'll just close my eyes and know
You'll be there

Your kiss and your touch

(Kiss and your touch)
I'll never forget
'Cause you're as close as my very next breath

Here in my heart
There's a picture of us
Together forever
Unfaded and unbroken

Wherever you are

Your love covers me
Forever more
(Forever more)
You'll be here in my heart

And though we are
(I know we are)
A world apart
I know you'll never be that far
(Far)

'Cause here in my heart
There's a picture of us
Together forever
Unfaded and unbroken

Wherever you are
Your love covers me
Forever more
(Forever more)
You'll be here in my heart

My heart
