Sometimes when the world Gets so cold And my heart  
Is fifteen below And I feel like I'm So far from home I  
run to you When life doesn't Go like I plan So confused  
and I don't understand It's hard 'cause It's out of my  
hands And this is what I do When I got Nothing left to  
give

chorus

I run to you When I can't find my way And I get lost in  
you When I don't have the faith When I don't know what  
to do I feel I can't make it through I run to you So it  
goes, every life has some rain Everyone's gotta deal  
with the pain But I know how to make it ok I tell you what  
I do When my back's Up to the wall you know

Repeat chorus

You are my light You're my everything In a place of  
chaos you're the One thing that brings me peace I'll  
give my heart, I'll give my all When I'm beat down  
You're always standin' tall I run to you I'm so lost in you  
When I need you Oh I need to

Repeat chorus
