Have yourself a merry little Christmas  
Let your heart be light  
From now on, our troubles will be out of sight  
Yeah yeah, hey, yeah  
Have yourself a merry little Christmas  
Make the Yuletide gay, yeah  
From now on, our troubles will be miles away  
Away, hey  
Here we are as in olden days  
Happy golden days of yore  
Faithful friends who are dear to us  
Gather near to us once more, yeah, hey  
Have yourself a merry little Christmas  
Have yourself a merry little Christmas  
So have yourself a merry little Christmas now  
Have a merry, merry Christmas  
Have a merry, merry Christmas

I'll be home for Christmas  
You can count on me (count on me)  
Please have snow and mistletoe  
And presents under the tree (under the tree)  
Christmas Eve will find me  
Where the lovelight gleams  
Oh, I'll be home for Christmas  
If only in my dreams.

Have a merry, merry Christmas  
Have a merry Christmas  
Have a merry, merry Christmas

In my memory, I can see the tree  
With my presents big and small  
But the story of a King who came for me  
Is the greatest gift of all

O come let us adore Him  
O come let us adore Him  
O come let us adore Him  
Christ the Lord

For He alone is worthy  
For He alone is worthy  
For He alone is worthy  
Christ the Lord  
He is Christ the Lord  
The Lord  
O come let us  
O come let us adore Him  
O come let us adore Him.
