

## Plus One "My Friend"

We are standing at the crossroads  
And now it's time  
For you to go your way  
And me to go mine  
I will pray the Lord  
Will keep you safe  
Until the day I see your face again

*[c h o r u s]*

My friend  
We have been through so much  
And you have been my Godsend  
With your sure and steady love  
My friend  
You know I will be there  
If you ever need  
'Cause you've always  
Been a friend to me  
I may travel the world over  
But one thing I know for sure  
One day this road will lead me  
Back 'round to your door  
I will pray the Lord  
Will keep you safe  
Some bonds are just too strong  
To break in the end

*[c h o r u s]*

Nothing will change the way  
I feel about you  
Not the miles or the years  
Or the place this life takes me to
