Do you remember me,  
I sat upon your knee,  
and wrote to you with childhood fantasies.  
Well I'm all grown up now,  
And still need help somehow,  
I'm not a child but my heart still can dream.  
So here's my life long wish  
My grownup Christmas list  
Not for myself but for a world in need.

No more lives torn apart  
That wars would never start  
And time would heal all hearts.  
Everyone would have a friend,  
And right would always win,  
And love would never end.  
This is my grownup Christmas list.

As children we believed  
The grandest sight to see,  
Was something lovely wrapped beneath our tree.  
Well, heaven surely knows  
That packages and bows  
Can never heal a hurting human soul.

Chorus

What is this illusion called innocence and youth.  
Maybe only in our blind belief can we ever find the  
truth.

No more lives torn apart  
That wars would never start  
And time would heal all hearts.  
Everyone would have a friend,  
And right would always win,  
And love would never end.  
This is my grownup Christmas list.  
This is my only lifelong wish.  
This is my grownup Christmas list.
