Here In My Heart

Wherever you are  
Tonight girl  
I'll see you in my dreams  
Wherever I go tomorrow  
You'll be here next to me  
And though we are a world apart  
I know you'll never be that far

Chorus  
'Cause here in my heart  
There's a picture of us  
Together forever  
Unfaded and unbroken  
Wherever you are  
Your love covers me  
Forever more you'll be  
Here in my heart

Whenever I miss you so much  
It's more than I can bear  
I won't cry, I'll just close my eyes  
And know you'll be there  
Your kiss and your touch  
I'll never forget  
'Cause you're as close  
As my very next breath

Chorus
