It takes my breathe like a cheap perfume
And leaves me in tears
And everyone under the moon
Knows it's here
Like a dream where you can hardly move
So paralyzed
I could decide to let the fear abuse
Or realize

That there's another world unseen
It open when your heart believes

[Chorus]

We are all surrounded
Swimming in a sea of angels
We are not forgotten
And we will win
Because you send your angels

Stretching out across the sky
Till I can't count
The scenery before my eyes
I drop my mouth
How could I ever let this sight
Slip my mind
You are the source of the onces in fight

So raid the sky

And take away the blinding tear
Let us always know you're here

[Chorus]

We are all surrounded
Swimming in a sea of angels
We are not forgotten
And we will win
Because you send your angels

Pick me up, Lord
Pick me up, Lord *[7x]*

[Chorus]

We are all surrounded
Swimming in a sea of angels
We are not forgotten
And we will win
Because you send your angels

And take me away, away from here
My Lord *[1x]*

Rain down wont you link me to Your grace
Rain down and I'll link you to my faith
