Heey, Ooh, Ooh

I know that life seems hard, cruel and unkind  
A lonesome journey with questions in your mind  
I'll hold your weary hand as you walk down the road  
Remember you're never alone

Chorus

Whenever you need somebody  
Whenever you want someone  
To reach out and touch you  
With a love that is strong  
Whenever you need somebody  
Whenever you want a friend  
To chase away the clouds and help the sun shine again  
I will be that friend

If I could have one wish this I would pray  
A heavenly miracle, your pain to drift away  
So I'll keep on prayin' until that day comes  
Remember that I'll be the one, the one

Chorus

I'll give you strength in times you're feeling weak  
I'll give you hope and help you to believe  
Yeah

Chorus

I'm gonna be that friend  
Oh yeah yeah yeah  
Right by your side  
Ooh, ooh
