She looked at me and said get out of my town
Out of my town you fool
Don't you know this is Goodna my friend
And Goodna's no place for you

I wanna go where the goings easy
I wanna got there tonight
I wanna go where the goings easy
I wanna got there tonight

He looked at me and said get out of my way
Out of my way you tool
Don't you know this is Goodna my friend
And Goodna's no place for you

I wanna go where the goings easy
I wanna got there tonight

I wanna go where the goings easy
I wanna got there tonight

I wanna go where the goings easy
I wanna got there tonight
I wanna go where the goings easy
I wanna got there tonight

I wanna go where the goings easy
I wanna got there tonight
I wanna go where the goings easy
I wanna got there tonight

I wanna go where the goings easy
I wanna got there tonight
I wanna go where the goings easy
I wanna got there tonight
