We are the standard  
We are your last excuse  
You're one in a million  
You have everything to lose  
And don't try to reason  
You'll burn up in atmosphere  
'Cause we are the Standard!  
Issue.

We are the standard  
We are your last excuse  
You're one in a million  
You have everything to lose  
And don't try to reason  
You'll burn up in atmosphere  
'Cause we are the Standard!  
Issue.

We are the standard  
We are your last excuse  
You're one in a million  
You have everything to lose  
And don't try to reason  
You'll burn up in atmosphere  
'Cause we are the Standard!  
Issue.
