Song by Adam Sandler And Eight Crazy Nights Cast (w/
Alison Krauss)

Everyone in this room has been associated with Whitey
either through basketball or the mall or various odd
jobs

he does around town for free or at most a dollar!

And I'm guessing 99% of you have either laughed in
Whitey's face or ruthlessly made fun of his feet *or
voice* or sister or shortness

when he wasn't looking!

But the next time you'd see him he'd still go out of
his way to smile and wave at you and ask about your
mother's operation

or something like that because he unlike us actually
cares about someone other than himself!

The reason I bring this up to you,

Is because I was the worst offender of all.

My life was simply going nowhere

Then a tiny little man rushed to my side

He should've gotten a big thank you

Instead he got a porta-potti ride.

I was such a shithead

But he'd never quit on me

Til' I told him he was useless

And his sister was freaky.

Once when we were watching Sunday football
A fuzzy screen was all that we could see
Whitey came over with a hanger
And spent the game on top of our TV,
And when the lightning struck him
He let out a wicked loud yell
But we just turned up the volume
And ignored the burning smell
We should all rot in Hell!

I went to High School with Whitey
As a joke I told him to meet me at the prom
When he got there I said I can't beleive you though I
was serious
So he ran home crying and slow danced with his mom!
What a crushing blow to Whitey
I bet you wish you could take it back
How could yo all be so mean to Whitey
Seems to me like you are all on crack!

Tonight Whitey was counting on this town
To show that we care
But the first time he really needed us
We weren't there!
And on Christmas Eve and the last night of Chanukah!
It's just not fair!

Bum biddy biddy biddy bum bum,
bum biddy biddy biddy bum,
bum biddy biddy biddy bum bum, bum biddy biddy
biddy bum, I wonder

if* that guy *ever wiped his ass with the wrong hand!
yes.

Bum biddy biddy biddy bum bum, bum biddy biddy
biddy bum,

bum biddy biddy biddy bum bum,
bum biddy biddy biddy bum,
bumbiddy biddy biddy bum bum, bum biddy biddy
biddy bum!
