It's a celebration  
It's a celebration  
It's a celebration

I really love the holidays  
It's a wonderful time of the year  
I can hear the sleigh bells ringing in the air  
The sound of joyous laughter everywhere

A winter wonderland I see  
Snow is softly falling silently  
Tiny lights illuminate the peaceful night  
Everybody's spirit shining bright

It's a celebration (celebration)  
A time for all the world to sing  
Songs of every nation (every nation)  
It's a joyous time of year

When we join together (together)  
It gives us all a reason  
It's time to celebrate  
The beauty of the season

Oh I wish this time of year would never end  
If only it could last forever  
Families are gathering from far and near  
Children dance together, spreading cheer

Around the fireside we sing  
All the festive songs the seasons brings  
There's something magical that fills our hearts with  
glee  
Giving and receiving, joy for me

It's a celebration (celebration)  
A time for all the world to sing  
Songs of every nation (every nation)  
It's a joyous time of year (joyous time of year)

When we join together (together)  
It gives us all a reason

It's time to celebrate  
The beauty of the season

Decorating, celebrating, sleigh bells ringing, children  
singing  
It's the most beautiful time of the year

It's a celebration (celebration)  
Time for all the world to sing  
Songs of every nation (every nation)  
It's a joyous time of year (joyous time of year)

And when we join together (together)  
It gives us all a reason  
It's time to celebrate (it's time to celebrate)  
It's time to celebrate (celebrate)  
Let's all celebrate  
The beauty of the season
