Time...itÃ, 's supposed to heal our wounds  
Joy...I never knew till I met you  
On that summer night in the moonlight  
When you were there by my side  
Peace...it only comes when I have you  
(when I have you)

If you put your arms around me  
I can never (ever) let you go  
If you put your arms around me  
I can never (ever) let you go

Love is the only thing that I have left  
And now I know IÃ, 'm no better than the rest  
And I try and I try to win you back  
With every line in my heart and mind dream  
Of the time when you were by my side

If you put your arms around me  
I can never (ever) let you go  
If you put your arms around me  
I can never (ever) let you go

Never let you go  
Never let you go, no, no  
Never let you go  
Never let you go  
Oh no, no  
Never let you go

If you put your arms around me  
I can never (ever) let you go  
If you put your arms around me  
I can never (ever) let you go  
If you put your arms around me  
I can never (ever) let you go  
If you put your arms around me  
I can never (ever) let you go
