THE! Humidity is
Intolerable
I look to the bed and I feel no attraction
My eyes are numb, my
Skin Itches

In my ears a loud noise, pounding
Fucking beating me to the
Ground
Someone please wake me from this fucking nightmare

Pale sarcastic
Moment of this late hour
Why can't I sleep?

It's
So fucking hot in here that it's a burden to my lungs
I can't BREATH THIS THICK
AIR
I try to wipe away the sweat but I feel it's in my

Bones
I peel my skin
To the skull

My wasted mind keeps pouring out
Crying out for
Attention

FUCK YOUR ATTENTION

You mean nothing just another
Dream

Pale plastic moment of this late hour
Why
Can't I sleep?
My eye lids stuck together like a bad memory
Just another bad
Dream

Oh god I'm melting my dreams are melting to

They mean nothing I mean
Nothing to you
