All of the things that we've been through,  
it doesn't matter just what I do.  
All the things that I want to tell you.

It always seems like the wrong place,  
the wrong time.  
But after all I feel this way.

Why don't you feel the same way?  
All you tell me is that it is 50/50!  
Why don't you feel the same way?  
All you can tell me is that it is 50/50!

This has never happened to me before.  
Every night when I walk out of your door  
The feeling is growing ever so fast.  
And if you feel this way then we can make it last.

Why don't you feel the same way?  
All you tell me is that it is 50/50!  
Why don't you feel the same way?  
All you can tell me is that it is 50/50!
