Holy animation  
What's a human?  
What's a lifetime?

All the angels  
Praying for me  
I'm only human  
For a lifetime

What's a lifetime  
If you love me?  
For a lifetime  
You said you'd love me

Mass producing  
More affection  
For a human  
For a lifetime

Many lifetimes  
For a human  
Is it human  
To know your, your lifetimes?

What's a lifetime  
If you love me?  
Oh baby, what's a lifetime  
If you can't love me?  
Love me baby, baby

Our sacred introduction  
To a human  
To a lifetime

Elevation  
Turns emotions  
Into humans  
Into, into lifetimes

What's a lifetime  
If you love me?  
For a lifetime

You said you'd love me

You said you would love me

You said you'd love me

Baby, yes you'd love you

You said you'd love me

You said you'd love me

You said you'd love me
