Oooooo

I dont' mind, do whatever you wanna do, to me  
I'm the most, horrible person you know, I agree  
But I see you, running  
Running into nothing with everywhere to go  
Baby you hurt me  
Everytime you tell me you love me

Oooooo

It's all so disappointing the way you show me mercy,  
mercy baby  
Oooooo  
It's all so disappointing, the way you show me mercy,  
The way you show me mercy

Oh, you say babe, you never wanna see me again, I'm  
too weak  
Save your breath, I can't say I'm sorry enough for me  
So how can you trust me, how can you trust me with  
everything  
How can you hold me, knowing I'll only hurt you again,  
oh, baby

Oooooo

It's all so disappointing the way you show me mercy,  
baby  
Oooooo  
It's all so disappointing, the way you show me mercy,  
The way you show me mercy

Baby I see you, crying  
Crying that were the people with broken hearts do  
Baby you hurt me, every time you tell me that you love  
me

Oooooo

It's all so disappointing the way you show me mercy,  
baby  
Oooooo  
It's all so disappointing, the way you show me mercy,  
the way you show me  
Oo, babe, oh baby,

It's all so disappointing the way you show me mercy,  
baby  
Oooooooooo  
It's all so disappointing the way you show me mercy.
