[1999]

I was dreaming when I wrote this, forgive me if it goes
astray

When I woke up this morning could've sworn it was
Judgement Day

The sky was all purple, there were people running
everywhere

Trying to run from my destruction, even though I didn't
even care

They say 2000, zero-zero, party's over, whoops out of
time

So tonight, I'm gonna party like it's 1999

They say 2000, zero-zero, party's over, whoops out of
time

So tonight, I'm gonna cry like it's 1999
1999

[Once in a lifetime]

Time isn't holding us, time isn't after us

Time isn't holding us, time isn't after us

Letting the days go by, letting the days go by,

Letting the days go by, letting the days go by.

You may find yourself living in a shack and shack

You may find yourself in another part of the world

You may find yourself behind the wheel of a large
automobile

You may find yourself with a beautiful house, with a
beautiful wife

You may ask yourself, how did I get here

Letting the days go by, let the water hold me down

Letting the days go by, water flowing under ground

Into the pool again, after the money's gone

Once in a lifetime, water flowing under ground

You may ask your self where is this house

You may ask yourself where does this highway go

You may ask yourself am I right or wrong

You may ask yourself "my god, what have I done? "

Letting the days go by, let the water hold me down

Letting the days go by, water flowing under ground

Into the pool again, after the money's gone

Once in a lifetime, water flowing under ground

Same as it ever was, same as it ever was.....
